

## Glenview Coin System

A Division of WZ Tool Inc.

### Instructions for Using the Wide Mouth Mechanism

#### STEP 1

Remove seal or lock from latch. Hold bag below security mechanism as shown and pull up until latch stops.

#### STEP 2

Holding latch, firmly pull toward you until both sections of security mechanism are locked in the open position.

#### STEP 3

Supporting the bag around the neck, lift from bottom and pour out coins. Bag should be inclined at approximately 45-degree angle.

#### STEP 4

When bag is empty, press stop spring on black adapter plate to begin closing security mechanism. Slide plate forward until it stops.

### Instructions for Using the Wide Mouth Mechanism

#### STEP 5

When adapter plate is closed, press stop spring on security mechanism and slide forward until it stops.

#### STEP 6

With both sections of security mechanism in the closed position, press down on latch until bottom "eye" of latch passes completely through adapter plate. Security mechanism is now reset. Insert security seal or lock on latch is desired.
